Subject: SDD - OU2 scoping documents from CRA

Hello Leslie/Laura,

Just a reminder to please send me the email from CRA that had their OU2 scoping documents. Dave and I will brief through them first to see if there are any big picture things to discuss with EPA. Then pending that outcome, we will make a schedule to return our review comments to you both in about 3 weeks so EPA can return comments to CRA in 30 days.

Thank you.
